

GUOHAI DONG

Title: Professor

**Address: State Key Laboratory of Coastal and Offshore
Engineering, Dalian University of Technology,
Dalian, 116023 China**

E-mail: ghdong@dlut.edu.cn

EDUCATIONS:

1982-1986: Dalian University of Technology, BE in Naval Architecture Engineering

1986-1989: Dalian University of Technology, MD in Coastal Engineering

1989-1992: Dalian University of Technology, PhD in Coastal Engineering

WORK EXPERIENCES:

2018-present	Director, International Joint Laboratory of Offshore Oil and Gas Engineering
2018-2022	Member, Standing Committee of DUT
2014-2018	Dean, Faculty of Infrastructure Engineering
2009-2014	Head, School of Hydraulic Engineering, Faculty of Infrastructure Engineering
2004-present	Director, State Key Laboratory of Coastal and Offshore Engineering
1999-present	Professor, Dalian University of Technology
1999-2000	Visitor, The University of Western Australia
1997-1999	Associate Professor, Dalian University of Technology
1994-1995	Visitor, Hydraulics Research Wallingford
1992-1997	Lecture, Dalian University of Technology

RESEARCH INTERESTS:

Wave dynamics; Long waves; Wave-structure interaction; Wave-current interaction;
Dynamic behaviors of offshore aquacultural facilities
